

HABC Care Certificate e-Learning

Course Introduction

Time Costs! ... Custom Built by HABC, our eLearning Care Certificate can speed up sign-offs by weeks!

Anyone starting work in the health or social care sectors should complete this qualification, including health care assistants, assistant practitioners, care support workers, adult social care workers providing direct care in residential and nursing homes and hospices and home care workers. The qualification covers the 15 key disciplines required for working in the social care sectors and can be completed as one qualification or a combination of relevant modules.

Many organisations in the care sector are now ensuring that all staff hold this qualification. Please contact us for a quote if you wish to purchase multiple eLearning licences.
